Spinner  
(<https://jqueryui.com/spinner/>)

Tabs  
(<https://jqueryui.com/tabs/>)

Tooltip

The basic dialog window is an overlay positioned within the viewport and is protected from page content (like select elements) shining through with an iframe. It has a title bar and a content area, and can be moved, resized and closed with the 'x' icon by default.

[👁 view source](#)

Want to learn more about the dialog widget? Check out the [API documentation](http://api.jqueryui.com/dialog/) (<http://api.jqueryui.com/dialog/>).
